

Low-Profile Wooden Spice Rack Template

1. Print this 8.5 x11" page, making sure the scale is set to 100%.
2. Place the template against the wood and use a pencil to poke holes and mark the locations of the 6 holes.
3. Re-align the template so the top 3 marks line up with the bottom 3 holes, and make new marks for the top 3 holes.
4. Repeat as needed depending on the number of rows on your spice rack.
